

VIVE FULL LUMBAR CUSHION

CSH1055

Providing comfortable support in any chair or seat, the Vive Full Lumbar Cushion is designed to promote proper posture and support the natural curve of the spine. The dense memory foam cushion conforms to the mid and lower back, effectively relieving pain, stiffness and fatigue. Exceptionally soft and breathable, the removable mesh cover includes a secure chair strap with a quick-release buckle for added stability on any seat.

REDUCES PAIN

Alleviates muscle tightness in the mid and lower back.

FULL BACK COVERAGE

For use in the office, the car, in a wheelchair or at home.

FITS MOST SEATS

With an adjustable chair strap for added security.

SUPERIOR LUMBAR SUPPORT

Ergonomically designed to promote proper posture while seated, the Vive Full Lumbar Cushion supports the mid and lower back to alleviate muscle tightness and fatigue. Perfect for office work, driving and more, the lumbar cushion supports the natural curve of the spine to relieve stiffness and pain due to backaches, sciatica, arthritis, herniated discs, pregnancy and injury.

CONTOURED MEMORY FOAM

Constructed with dense memory foam, the full lumbar pillow conforms to the mid and lower back for personalized support and comfortable cushioning. The resilient, high-density memory foam will not flatten out for long-term use at home, at the office and on the go.

WORKS WITH EVERY SEAT

Sized to fit every seat, the Vive Full Lumbar Cushion measures 18.11" by 14.96" and is 5.12" thick. Perfect for car seats, office chairs, wheelchairs and more, the lumbar support cushion includes an adjustable chair strap for added security.

BREATHABLE MESH COVER

Allowing air to freely circulate, the lumbar cushion includes a breathable, 3D mesh cover to stay cool and dry throughout the day. The zippered cover is removable and machine washable for easy cleaning.
